Summer 2017 Classes

Self-Discovery & Community Connection Series

Classes are Free but Registration is Required

Using Technology to Make Your Dreams Come True**

Thursday, June 8, 2017 10:00am—12:00 noon **

Participants will investigate the relationship between having dreams and reaching goals. They will discover the specific technical resources needed to make their dreams a reality

Community Connections: Technology that keeps people in touch**

Thursday, July 13, 2017 10:00am—12:00 noon **

Participants will learn tasks to safely engage others using email, texting, live streaming, or search for a volunteer position or job, order a ride-share or fill out an online application

Introduce Yourself to the World: Create a Simple Resume

Thursday, July 20, 2017 10:00am—12:00 noon **

By examining life experiences & strengths, participants will be guided to create a simple resume and to use it to introduce themselves to others.

Art & Success Pat 1: Creating Success from the Inside Out**

Thursday, August 3, 2017 10:00am—12:00 noon **

The participants experience what success feels like by starting with a blank canvas and are guided through the process of creating a painting

Art & Success Part 2: Personal Visions with acrylic painting**

Thursday, August 10, 2017 10:00am—12:00 noon **

The participants experience what success feels like by starting with a blank canvas and are guided through the process of creating a painting, adding their own vision

Understanding Money: Behind on Bills? Get and Stay Out of Debt**

Friday, August 11, 2017 10:00am—12:00 noon**

Participants will learn to use simple tools to help you handle money emergencies, cut down on stress from mounting bills, and build our finances to where you want them to be.
