

Strategic Plan Summary 2020-2023

- I. Establish sustainability for the Village Experience Learning Center through donations and volunteers
- II. Increase Employment Services revenue and job replacement and retention of participants
- III. Assure that Village Music and Arts continues through increased donations and use of Washington State Service Corps volunteers.
- IV. Create a Resource Development team with focus on increased revenue through grants, donations, and special event fundraising.
- V. Improve Residential Services' systems and communication enabling VCS to bring in new clients and meet contractual requirements for life-long learning experiences
- VI. Increase efficiency by replacing finance and human resource software
- VII. Engage board members to recruit new board members with varying expertise, increase donations to VCS, and help accomplish agency goals including the creation of park facilities to serve children and adults with disabilities.
